

## 50 SPF SUN LOTION

This sun lotion, containing a broad-spectrum UV filter combination, helps provide effective protection against UVA and UVB rays through the synergistic effect of both chemical and mineral filters.

### INCLUDED IN THE FORMULA:

- **Diethylamino Hydroxybenzyl Hexyl Benzoate, Ethylhexyl Triazane, Bis-Ethylhexyloxyphenol Methoxyphenyl Triazine** → These are modern UV filters with high stability.
- **Zinc Oxide** → It helps reduce the amount of radiation reaching the skin by forming a physical barrier.

---

### EMOLLIENT AND CARRIER SYSTEM:

- **Dicaprylyl Carbonate, Caprylic/Capric Triglyceride, Cetearyl Alcohol** → Provides a light, non-greasy texture.
- **Glyceryl Stearate & emulsifier system** → Creates a stable and homogeneous emulsion structure.

---

### MOISTURIZING AND CARE COMPLEX:

- **Glycerin, Sodium Hyaluronate, Panthenol** → Contributes to maintaining the skin's moisture balance.
- **Niacinamide** → Supports the skin barrier and helps improve its appearance.

---

### Antioxidant and plant-based ingredients:

- **Vitamin E (Tocopheryl Acetate), Green Tea, Spirulina, Aloe Vera** →
  - Supports the skin against environmental damage.
  - Provides broad-spectrum protection against harmful UVA and UVB rays from the sun.
  - Its lightweight and fast-absorbing formula leaves no feeling heavy on the skin.
  - Its moisturizing complex helps maintain the skin's moisture level.
  - Antioxidant support helps protect the skin against external factors.
  - Its water-resistant formula is suitable for daily use and outdoor activities.
  - With regular use, it helps the skin surface look more balanced and vibrant.
