

## TANNING OIL 10 SPF

**DEVELOPED FOR THOSE WHO WANT TO ENJOY THE SUN IN A MORE BALANCED AND CONTROLLED WAY, THIS SPECIAL FORMULA SUPPORTS THE SKIN WITH SPF 10 SUN PROTECTION FACTOR AND UVA/UVB FILTERS WHILE COMPLEMENTING THE NATURAL TANNING PROCESS.**

Enriched with a high concentration of plant-based oils, the formula helps maintain the skin's moisture balance during sunbathing, contributing to a healthier, more even, and radiant tan.

Its nourishing ingredients, such as St. John's wort oil and cocoa butter, keep skin soft and comfortable, while the golden-reflective pigments instantly enhance the bronzed look.

---

### **CARROT OIL & CARROT SEED OIL**
